Support the young dancers of Queensland

Brisbane City Youth Ballet is committed to providing an opportunity for the talented young dancers of Queensland to present wonderful ballets for our local community. Our 2010 production of *The Nutcracker* continues on in this tradition. This year the company has 70 dancers from all over Brisbane, the Sunshine Coast, the Gold Coast, and as far north as Bundaberg. We had an amazing summer rehearsal week with all the dancers working extremely hard. This will be a production you will not want to miss.

"The Snow Queen was the first ballet my daughter and I have attended and we were absolutely thrilled and enchanted with the quality of the dancers, costumes and the stage. We will most definitely be attending again" Carmen Morrell

A ballet performance for all the family. Early bird tickets just \$32

Our 2010 production of *The Nutcracker* is well underway with many production meetings resulting in stunningly beautiful and magical sets and costume designs by renowned artist Max Hurley. Let us take you from Clara's Christmas Party, through the snow, across the sea of pink lemonade and on to meet the Sugar Plum Fairy in the wonderful Land of the Sweets – where all your favourite treats await.

We can't wait to see you there!
